Independent Auditors' Report on Supplementary Information	20
Consolidating Statements of Financial Position	21
Consolidating Statements of Activities and Changes In Net Assets	23

INDEPENDENT AUDITORS' REPORT

Board of Directors
Dempsey Centers for Quality Cancer Care and Subsidiary

Opinion

We have audited the consolidated financial statements of Dempsey Centers for Quality Cancer Care and Subsidiary (Dempsey Center), which comprise the consolidated statements of financial position as of June 30, 2025 and 2024, the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Dempsey Center as of June 30, 2025 and 2024, and the results of its activities and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dempsey Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dempsey Center's ability to continue as a going concern within a period of one year after the date the financial statements are issued or available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dempsey Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dempsey Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies

Organization and Nature of Activities

The Dempsey Centers for Quality Cancer Care (Dempsey Center) is an independent not-for-profit organization incorporated on April 27, 2017. Prior to receiving a favorable Internal Revenue Service determination as a public charity in 2017, Dempsey Center operated as a program of Central Maine Healthcare, since its founding in 2008.

The Dempsey Center is committed to making life better for people managing the impact of cancer. The Dempsey Center provides programming in person at both their Lewiston and Westbrook locations as well as virtually at their third center – *Dempsey Connects*. Through the provision of a wide range of evidence-informed services known to ease the side effects of cancer, the Dempsey Center works with youth and adult cancer patients, survivors and caregivers, regardless of where medical treatment is being received. Programs and services include complementary therapies like oncology massage and acupuncture, individual and family counseling, nutrition education, movement and fitness classes, support groups and cancer resource navigation. Dempsey Center services provide people with cancer-related knowledge, skills and tools in individual and group settings. All Dempsey Center services are provided at no cost to users of those services.

Clayton's House LLC (Clayton's House), a for-profit entity, was organized on December 2, 2019 as a Maine limited liability company, with Dempsey Center as its sole member. Clayton's House owns property to be used solely for temporary lodging for individuals who are cancer patients receiving cancer-related health care services or treatment from a Maine oncology program and/or their caregivers.

The Dempsey Center and Clayton's House are collectively referred to as the Organization in these consolidated financial statements.

Basis of Presentation

The consolidated financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The accrual basis of accounting recognizes revenues in the accounting period in which revenues are earned regardless of when cash is received, and recognizes expenses in the accounting period in which expenses are incurred regardless of when cash is disbursed.

In accordance with GAAP, the Organization is required to report information regarding its financial position and activities according to the following classes of net assets:

Net assets without donor restrictions represent expendable resources that are available for operations at management's discretion.

Net assets with donor restrictions are those subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. **Summary of Significant Accounting Policies (Continued)**

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Dempsey Center and its wholly owned subsidiary, Clayton's House. Significant intercompany balances and transactions have been eliminated from the consolidated financial statements.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual amounts could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents includes all unrestricted highly liquid investments with an initial maturity of three months or less, except for those cash equivalents that are held as part of the investment portfolio.

Certificates of Deposit

Fair values approximate carrying values because these instruments are payable on demand or have short-term maturities and present low credit risk and interest rate risk. Certificates of deposit are considered Level 1 assets as defined in note 3

Contributions Receivable

Contributions receivable represent promises to give by donors in connection with the Organization's annual support appeals that have not been collected as well as long-term giving. Contributions receivable are due from individuals, corporations and foundations. All contributions receivable are expected to be collected in the next year. An allowance for contributions receivable is provided as necessary by management based on a review of the underlying contributions. The Organization has not experienced any losses and has determined that no allowance for contributions receivable is necessary at June 30, 2025 or 2024. Amounts would be charged off against an established allowance when deemed necessary.

Investments

Investments are stated at fair value. Gains and losses on investments are computed on the specific identification basis. Investment income and realized and unrealized gains/losses are included in revenue and other income without donor restrictions unless restricted by donor or law. In addition, investment returns from donor restricted net assets are classified as donor restricted until appropriated for expenditures.

Investments, in general, are exposed to various risks, such as interest rate, credit, liquidity and overall market volatility. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position and activities and changes in net assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. **Summary of Significant Accounting Policies (Continued)**

Investment and Spending Policies

GAAP provides guidance on classifying the net assets associated with board designated and donor-restricted endowment funds held by organizations that are subject to an enacted version of the *Uniform Prudent Management of Institutional Funds Act* (UPMIFA), which serves as a model act for states to modernize their laws governing donor-restricted endowment funds. UPMIFA was adopted by the State of Maine in 2009. The Organization makes the following disclosures related to this guidance and adoption of UPMIFA:

The Organization has adopted an investment policy, approved by the Board of Directors, which seeks to maximize the long-term total return of financial assets consistent with the current and future funding needs of the Organization.

Accordingly, the Organization's ability to achieve these returns will depend upon the ability to accept reasonable risk, recognizing that some degree of volatility in market value is necessary to achieve long-term capital appreciation and maintain spending growth.

The Organization has adopted a spending policy, approved by the Board of Directors, which allows for annual distributions of up to 4.5% of the endowment market value calculated on a twelve-quarter moving average. Distributions from the unrestricted investment general fund may be made at any time at the discretion of the Organization's Finance Committee.

The Board of Directors interpreted UPMIFA as requiring the preservation of the fair value of an endowed gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organization has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law.

Property and Equipment

The Organization has an approved capitalization policy whereby property and equipment will be recorded at cost and depreciation is to be computed over the estimated useful life in conformity with GAAP. Repairs and maintenance are expensed as incurred and major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies (Continued)

In-Kind Contributions:

The Organization records various types of in-kind support including professional services, tangible assets and the use of tangible assets. Contributed professional services are recognized if the services received, (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contribution of tangible assets or the use thereof is recognized when promised or received, whichever is earlier. The amounts reflected in the accompanying consolidated financial statements as in-kind contributions are offset by like amounts included in expenses or, in the case of long-term assets, over the period benefited. Additionally, the Organization receives a significant amount of contributed time, which does not meet the recognition criteria described above. Accordingly, the value of this contributed time has not been determined and is not reflected in the accompanying consolidated financial statements.

The Organization's consolidated financial statements include the following in-kind contributions revenue and support, and associated expense for the fiscal years ended June 30:

	<u>2025</u>	<u>2024</u>
Professional services	\$ 18,224	\$ 7,438
Legal services	1,857	12,331
Advertising and promotion	158,880	133,880
Supplies	6,540	57,551
Rental	—	5,295
	<u>\$185,501</u>	<u>\$216,495</u>

In-kind contributions are valued based upon estimates of fair market or wholesale values that would be received for selling the goods in their principal market considering their condition and utility for use at the time the goods are contributed by the donor. In-kind contributions are not sold and goods are only distributed for program use.

Public Support and Revenue Recognition

The Organization receives much of its support from fundraising events, and individual and corporate donations. The most significant fundraising event is the Dempsey Challenge, held annually in the fall.

Unconditional promises to give cash and other assets to the Organization are reported at their fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at their fair value at the date the gift is actually received or the conditions are met. Gifts are reported as donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When donor restrictions expire, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities and changes in net assets as net assets released from restrictions.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies (Continued)

Concentrations

Contributions from one organization accounted for approximately 20% of total revenue in 2025. No such concentrations existed in 2024.

Donated Assets

Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair values at the date of donation.

Income Taxes and Accounting for Uncertain Tax Position

Dempsey Center is exempt from federal and state income tax under section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been recorded in the consolidated financial statements.

Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board (FASB), assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position.

Dempsey Center has evaluated the position taken on its filed tax returns. Dempsey Center has not taken, nor does it expect to take, any uncertain tax positions in any income tax return.

Clayton's House taxable income or loss flows through to its sole member, Dempsey Center. Accordingly, no provision has been made for income taxes in the accompanying consolidated financial statements. Management has determined that Clayton's House has not taken, nor does it expect to take, any uncertain tax positions in any income tax return.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the consolidated statement of activities and changes in net assets. The consolidated statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program services, fundraising, and management and general, based upon square footage and on employees' time and effort. The Dempsey Challenge provides participants and the community with knowledge and accessibility to the services offered by the Dempsey Center, therefore, certain costs associated with the Dempsey Challenge are considered joint program costs. For the year end June 30, 2025, joint costs of \$1,180,481 have been allocated between fundraising, in the amount of \$508,690, and community engagement program costs, in the amount of \$671,791. For the year end June 30, 2024, joint costs of \$894,116 have been allocated between fundraising, in the amount of \$413,995, and community engagement program costs, in the amount of \$480,121.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. **Summary of Significant Accounting Policies (Continued)**

Advertising

The Organization expenses all advertising, including printing, costs when incurred.

Leases

At the inception of an arrangement, the Organization determines whether the arrangement is, or contains, a lease based on the unique facts and circumstances present in the arrangement. A lease is a contract, or part of a contract, that conveys the right to control the use of identified property or equipment (an identified asset) for a period of time in exchange for consideration. The Organization determines if the contract conveys the right to control the use of an identified asset for a period of time. The Organization assesses throughout the period of use whether the Organization has both of the following: (1) the right to obtain substantially all of the economic benefits from use of the identified asset, and (2) the right to direct the use of the identified asset. This determination is reassessed if the terms of the contract are changed.

Leases are classified as operating or finance leases based on the terms of the lease agreement and certain characteristics of the identified asset. Leases with a term greater than one year are recognized on the consolidated statement of financial position as right-of-use assets and lease obligations, as applicable.

The interest rate implicit in lease contracts is typically not readily determinable. As a result, the Organization elected to utilize the risk-free rate as the discount rate.

Operating lease expense is recognized on a straight-line basis over the lease.

The lease may require the Organization to pay additional amounts for taxes, insurance, maintenance and other expenses, which are generally referred to as nonlease components. Such adjustments to rental payments and variable nonlease components are treated as variable lease payments and recognized in the period in which the obligation for these payments was incurred. Variable lease components and variable nonlease components are not measured as part of the right-of-use asset and liability. Only when lease components and their associated nonlease components are fixed are they accounted for as a single lease component and are recognized as part of a right-of-use asset and liability. Total contract consideration is allocated to the combined fixed lease and nonlease component. This policy election applies consistently to all asset classes under lease agreements.

The Organization assesses at the commencement of a lease any options to extend or terminate the lease agreement, and will include in the lease term any extensions or renewals which it determines it is reasonably certain to exercise. Assumptions made at the lease commencement date are re-evaluated upon the occurrence of certain events, including a lease modification. A lease modification results in a separate contract when the modification grants the lessee an additional right-of-use not included in the original lease and when lease payments increase commensurate with the standalone price for the additional right-of-use. When a lease modification results in a separate contract, it is accounted for in the same manner as a new lease.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

1. Summary of Significant Accounting Policies (Continued)

The Organization's lease agreements do not contain any significant residual value guarantees or material restrictive covenants imposed by the leases.

The Organization does not have any sublease agreements.

Reclassifications

Certain 2024 amounts have been reclassified to permit comparison with the 2025 consolidated financial statements presentation format.

Subsequent Events

Events occurring after the consolidated statement of financial position date are evaluated by management to determine whether such events should be recognized or disclosed in the consolidated financial statements. Management has evaluated subsequent events through October 28, 2025, which is the date the consolidated financial statements were available to be issued.

2. Investments and Donor Restricted Funds

Investments and donor restricted funds consist of the following as of June 30:

	<u>2025</u>	<u>2024</u>
Money market funds	\$ 165,658	\$ 82,889
U.S. Government Agency	212,821	206,147
Marketable equity securities	2,447,125	1,831,109
Corporate bonds	501,482	764,652
Exchange traded funds	<u>905,641</u>	<u>1,493,060</u>
	<u>\$4,232,727</u>	<u>\$4,377,857</u>

3. Fair Value Measurements

As defined in GAAP, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Organization uses various methods, including market, income and cost approaches. Based on these approaches, the Organization utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Organization utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Organization is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

3. Fair Value Measurements (Continued)

Level 1 – Valuations for assets traded in active exchange markets, such as the New York Stock Exchange. Level 1 includes cash and cash equivalents as well as mutual funds, marketable equity securities, money market and exchange traded funds, which are traded by dealers or brokers in active markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuations for assets traded in less active dealer or broker markets. Valuations are obtained from third party pricing services and other sources for identical or similar assets.

Level 3 – Valuations for assets that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

In determining the appropriate levels, the Organization performs a detailed analysis of the assets and liabilities that are reported at fair value.

The following table provides information on the assets carried at fair value as of June 30:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
2025:				
Money market funds	\$ 165,658	\$ –	\$ –	\$ 165,658
U.S. Government Agency	–	212,821	–	212,821
Marketable equity securities	2,447,125	–	–	2,447,125
Corporate bonds	–	501,482	–	501,482
Exchange traded funds	<u>905,641</u>	<u>–</u>	<u>–</u>	<u>905,641</u>
	<u>\$3,518,424</u>	<u>\$ 714,303</u>	<u>\$ –</u>	<u>\$4,232,727</u>
2024:				
Money market funds	\$ 82,889	\$ –	\$ –	\$ 82,889

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

4. Net Assets

Net assets without donor restrictions are available for the following purposes at June 30:

	<u>2025</u>	<u>2024</u>
Undesignated	\$5,068,065	\$4,844,521
Designated by board	<u>—</u>	<u>133,733</u>
	<u>\$5,068,065</u>	<u>\$4,978,254</u>

Net assets with donor restrictions are subject to the following time and purpose restrictions at June 30:

	<u>2025</u>	<u>2024</u>
Restricted for general program support:		
Subject to endowment appropriation	\$ 386,473	\$ 210,605
Available for specified purpose	312,930	617,531
Held in perpetuity	<u>1,222,287</u>	<u>1,222,287</u>
Total net assets with donor restrictions	<u>\$1,921,690</u>	<u>\$2,050,423</u>

The changes in the Organization's endowment funds by net asset category are as follows for the years ended June 30:

	<u>Board Designated</u>	<u>Purpose Restriction</u>	<u>Perpetual in Nature</u>	<u>Total</u>
Changed in endowment net assets:				
Endowment net assets, July 1, 2023	\$ 493,957	\$ 46,586	\$1,222,287	\$ 1,762,830
Appreciation	663,776	164,019	—	827,795
Appropriated for expenditure	<u>(1,024,000)</u>	<u>—</u>	<u>—</u>	<u>(1,024,000)</u>
Endowment net assets, June 30, 2024	133,733	210,605	1,222,287	1,566,625
Appreciation	327,108	175,868	—	502,976
Appropriated for expenditure	<u>(460,841)</u>	<u>—</u>	<u>—</u>	<u>(460,841)</u>
Endowment net assets, June 30, 2025	<u>\$ —</u>	<u>\$386,473</u>	<u>\$1,222,287</u>	<u>\$ 1,608,760</u>

5. Concentration of Credit Risk

The Organization occasionally maintains significant cash balances in one financial institution. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. As of June 30, 2025, the Organization has not experienced any losses from deposit concentrations.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

6. Liquidity and Availability

Financial assets available for general expenditure within one year of the consolidated statement of financial position date consist of the following at June 30, 2025:

Financial assets at year end:	
Cash and cash equivalents	\$ 1,171,301
Certificates of deposit	144,083
Receivables – due within one year	765,826
Investments and donor restricted funds	<u>4,232,727</u>
	6,313,937
Less amounts not available to be used within one year:	
Donor restricted funds	<u>(1,272,287)</u>
Financial assets available to meet general expenditures within one year	\$ <u>5,041,650</u>

The Organization receives significant contributions restricted by donors, and considers contributions restricted for programs which are ongoing, major and central to its annual operations to be available to meet cash needs for general expenditures.

The Organization's governing board has designated a portion of its unrestricted resources for endowment and other purposes. Those assets are included with investments in the table above. These funds are invested for long-term appreciation and current income but remain available and may be spent at the discretion of the Board.

7. Leases

The Organization is party to several operating lease agreements for office space and certain office equipment under both short-term and long-term operating lease agreements.

During the year ended June 30, 2025, the Organization entered into a ten-year operating lease for office space in Westbrook, Maine. As part of the lease agreement, the Organization received a tenant improvement allowance totaling \$2,457,001, of which \$1,500,000 was funded directly by the landlord and \$957,001 was structured as additional rent obligations to be recognized over the lease term. The leasehold improvements were capitalized at cost. In accordance with Accounting Standards Codification (ASC) 842, the tenant improvement allowance was applied against the cost of the improvements and resulted in a corresponding reduction to the right-of-use asset. As of June 30, 2025, \$357,385 of the allowance had not yet been received and is recorded as other receivables on the consolidated statement of financial position.

In February 2025, the Organization terminated its operating lease in South Portland, Maine in connection with its move to the new Westbrook location. No termination fees were incurred.

During 2025, the Organization was party to a month-to-month operating building lease in Lewiston, Maine. Subsequent to year end, the Organization terminated its month-to-month operating lease and entered into a new operating lease in Lewiston, Maine, with an initial one-year term and successive one-year renewal options. Rent under the new lease will be approximately \$1,000 per month.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

7. Leases (Continued)

The Organization is not reasonably certain it will exercise renewal options. Therefore, the renewal periods are not included in the lease terms.

Lease Term and Discount Rate

The weighted-average lease terms and discount rates for long-term operating leases are as follows for the year ended June 30:

	<u>2025</u>	<u>2024</u>
Weighted-average remaining lease term	9.72 years	2.97 years
Weighted-average discount rate	4.00%	5.00%

Lease Cost

Operating lease costs and rent expense recorded in operating expenses on the accompanying consolidated statements of activities and changes in net assets was \$767,554 and \$406,008 for the years ended June 30, 2025 and 2024, respectively, which includes lease expense related to short-term and other immaterial leases.

Commitments related to noncancellable operating lease obligations for each of the next five years and thereafter after June 30, 2025 are as follows:

2026	\$ 676,583
2027	676,027
2028	675,630
2029	675,630
2030	708,892
Thereafter	<u>3,869,731</u>
Total minimum future lease payments	7,282,493
Less imputed interest	<u>(1,311,770)</u>
Total lease obligations	<u>\$ 5,970,723</u>

8. Commitments

The Organization was responsible for a portion of the construction costs to bring the building leased in Westbrook, Maine to use. In connection with the construction of the building, the Organization is party to a \$112,500 letter of credit agreement with TD Bank which expires in July 2026. The Organization formalized a pledge agreement with TD Bank as security for all amounts due in respect to the letter of credit. The pledge agreement is collateralized by a short-term Certificate of Deposit of approximately \$123,000.

DEMPSEY CENTERS FOR QUALITY CANCER CARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

8. Commitments (Continued)

Other Commitments

The Organization has also entered into various agreements related to event management consulting, software usage, and licensing. Commitments extend for varying periods.

**INDEPENDENT AUDITORS' REPORT
ON SUPPLEMENTARY INFORMATION**

Board of Directors
Dempsey Centers for Quality Cancer Care and Subsidiary

We have audited the consolidated financial statements of Dempsey Centers for Quality Cancer Care and Subsidiary as of and for the years ended June 30, 2025 and 2024, and have issued our report thereon, which contains an unmodified opinion on those consolidated financial statements. Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating and supplementary information is presented for purposes of additional analysis rather than to present the financial position, results of operations and cash flows of the individual entities and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating and supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.
